

People always ask, why student the humanities?
It's simple...I tell em listen.

Verse 1:

It's important for me know everythang
staying literate, while staying off the chain gang
the difference from Islam to Christianity
evaluating analysis, helping me keep my sanity
reflective reading, noticing reality
working hard, stacking up my ngwee
lacking profanity, knowledge beyond capacities
just a few benefits of studying humanities

Chorus:

Ayeee What you studying over there? (Mathematics)
Well, that's good for x squared (math)
Critical thinking, reading and writing we over here
life long learners we tryna be, politicians can see, scream it like a banshee
The facts of humanities

Ayye What you studying over there? (Criminal Justice)
That major won't teach you bout being fair (no fair)
Critical thinking, reading and writing we over here
Life long learners we tryna be, employers can see, scream it like a banshee
The facts of humanities. (Verse 2)

Verse 2:

Uh uncertainty and skepticism
Question everything and ask them how they got the answers to it. (how you got that
answer?)
Uh
Science is important but
How we know the earth is round, and why the sun keep commin up?
Uh
My man young Socrates said wisdom means knowing, just How just little you know"
Uh
STEM ain't for everybody.
Facebook Mark Zuckerberg. He studied psychology.
Uh
Question all authorities. What is reality?
The purpose of humanities.
So tell the Board of Education, that your bored of education (yea)

Grab ya best friend, ya parents
join me when I'm saaayyinnn

Chorus:

Ayeee What you studying over there? (Medical science)
Well, that's good for healthcare
Critical thinking, reading and writing we over here
life long learners we tryna be, politicians can see, scream it like a banshee
The facts of humanities

Ayye What you studying over there? (Info tech)
That major is good for software
Critical thinking, reading and writing we over here
Life long learners we tryna be, employers can see, scream it like a banshee
The facts of humanities.

Verse: 3

(break it down)

Let me break it down
Study anything you want, your interests are profound (they are profound)
But...at the very very minimum
languages and history,
fit it in your curriculum (curriculum?)
You gots to recognize the value, a cultural philosopher
Dare to be wise, Immanuel (Immanuel)

Outro:

Yo, shout outs to Immanuel Kant the creator of cultural philosophy
I'm not really sure what they're talking about, they don't know about humanities.
Barack got a degree in poly sci...even the Mrs. Michelle got a degree in AfricanAmerican
Studies
Got Martha Stewart, European Architectural History. Man they dont know what they're
talking about out here.The CEO of Goldman Sachs...a history major
Gots to shout out the humanities...they did me well. That's why I'm here. Dropping this
knowledge on you real quick fast.
Humanities!
