

Hello all! My name is Sarah Boyko. I'm currently a senior at the University of North Florida in Jacksonville. I'm studying English so of course I'm a literature fanatic. My favorite book is *Of Mice and Men* by John Steinbeck but my favorite short story is "The Lottery" by Shirley Jackson. My dream job would be to write sketch comedy for Saturday Night Live or to become a reclusive fiction author, perhaps residing in a cave. Although I write for my own selfish pleasure, I'm truly appreciative of anyone who takes the time to read my work. I feel blessed that my life's purpose is one that inspires and entertains.
