The Humanities MATTER!

WHAT THE HUMANITIES DO

- They foster a critical understanding of people, places, and events through humanistic thinking.
- They teach us to reason about being human and to develop an understanding of how we interact with others.
- They teach us to understand the role that culture plays in people's lives.
- They teach empathy.
- They encourage us to think creatively and think critically.
- They help us to deal with imperfect information.
- They bring us poetry, art, and music.
- They enhance our ability to understand other cultures, deal with subjective, complex, and imperfect information.
- They help us find our place in the world through their study of the human condition.
- They help us reason about being human.
- They teach us to reason about being human.
- They give us the tools to analyze and understand the world around us.
